A bonus of 5 points will be given to the horse and rider who compete at all five events.

Points can only be awarded per horse and rider for one event per competition, if the horse and rider compete in two classes in the same event then the highest points from one class will count. There is no limit to the number of horses a rider can compete with but points cannot be transferred to another rider or horse.

In the case of a tie then the horse and rider who has completed the XC phases nearest the optimum time on the most occasions will win. However if there is still a tie we will then look at the Dressage phase of the ODE or show jumping score at the Show Cross. Only then will we split the prize equally between the winners. Junior's competing in open classes will receive points according to their place in the class.

*In the event of a cancellation the number of competitions will be reduced accordingly the event will be run in the 2010 season
